

**Remarks**

This is a full and timely response to the outstanding Office Action mailed January 20, 2006 and having a shortened statutory period for response of 2 months from the date of mailing in which a specific publication was requested under 37 C.F.R. §1.105. In response, after searching its computer archived records, Applicant found the enclosed document having the same title and date as referenced in the Office Action. Applicant is not able to confirm that it is the publication having the publication number referenced in the Office Action. If the Examiner requires additional documentation, the Examiner is invited to contact the Undersigned.

Reconsideration and allowance of the application and  
presently pending claims are respectfully requested.

Respectfully submitted,
